The conditions and circumstances requiring this emergency expenditure are:

Location: US 6, just south of Brandon Road, Rockdale in Will County.

Due to recent heavy rains and snowmelt, a deteriorated culvert under US 6 failed causing all lanes of US 6 to be undermined and collapse, resulting in the closure of US 6. P.T. Ferro was chosen because of their knowledge and experience , and because they were working nearby and could respond immediately.

Work is beyond the capability of State Forces.

This work will be funded from the Central Bureau of Operations, Emergency Reserve Fund.

(Note – Culvert installed via permit by IDNR. Permanent Replacement to be done by IDNR via permit. Coordination handled via Traffic Permit Section)
